

***THE VINE, THE BRANCHES, AND YOU John 15:1-11***

vs. 1-4- What does a vine give a branch? What does Jesus give us?

How does a person get tapped into Jesus to get this stuff?

How is your “branchness” going? How tapped into Jesus do you feel?

How do you think Jesus “prunes” His followers? What has that been like for you?

vs. 5-8- Why don’t all branches bear fruit?

What do you think your fruit is?

The sermon asked why churches aren’t more tapped into the vine. What do you think?

vs. 9-11- The sermon argued that Jesus’ will for the church is to make disciples, worship God, and help people. Would you add anything to that?

How good a job do you think churches do in doing things Jesus’ way?

What do you think is the cause of conflicts in churches? What should be done?

Tell us why you think love makes a difference in how churches go about their business.
